

# Why Do We Do Fundraisers?

Firstly we are a **nonprofit** organization so in order to keep on top of all of the costs of running a league, we have to find a way to raise funds to keep the league in operation & to help it grow into a better league.

We try very hard to keep our registration costs low so that more people in our community are able to participate. ☺ Instead of charging more \$ we do fundraisers & involve the same community to help make those successful. We try not make it hard on everyone, including our group of **non-paid volunteers** who are run the league.

This money goes right back into our league and everything that benefits our players. We want everyone to come back and be a part of something great for families & great for the community. **The more money we raise, the more we can spend on our program.**

This enables us to put all of the money we get towards **improving our fields, replacing old and worn-out equipment, uniforms & shipping, baseballs and other supplies; umpire fees; concession stand maintenance & supplies; city fees; anything related to marketing for the season like copies/ink/etc.; handouts for parents; special event items like awards/certificates/Opening Day/Closing Day costs;** the list goes on & on of what needs to be done but we want to be able to grow and continue growing as our players develop.

Let's help make something great for our kids & our community!
